

## **DATA TRACK WARRANTY**

Equipment manufactured by Data Track Technology plc or its subsidiary companies is guaranteed against defective materials and workmanship for a period specified in the companies published literature or on its web site, subject to the following restrictions:-

- Equipment must be installed and operated in accordance with our published instructions and specifications. It is the purchaser's responsibility that the equipment is suitable for the application.
- The warranty is void if the equipment has been repaired, re calibrated or otherwise tampered with by a person or company not authorised by Data Track.
- The warranty is void if the equipment labels or serial numbers have been removed or defaced.
- The warranty is void if any repair or replacement is necessitated by inadequate maintenance, by abnormal wear and tear, by the fault of the purchaser, by the application of an incorrect power source or by operation in unsuitable environmental conditions.
- Any product repaired or replaced shall be warranted for the remainder of the original warranty period.
